

USAID/SOUTH SUDAN GENDER-BASED VIOLENCE PREVENTION AND RESPONSE ROADMAP BENCHMARKS (2019-2021)

- IF:** USAID and partners provide required inputs (resources, staff training/capacity building, programming/activities, and MEL framework)
- AND:** Make progress toward the sector-specific special Intermediate Results (shown in diagram);
- AND:** Integrate the six GBV Guiding Principles;
- AND:** Monitor, evaluate and adapt based on learning;
- THEN:** USAID/South Sudan will make a measurable and trackable contribution to GBV prevention, mitigation, and response at the individual, family, community and institutional levels.

PROGRESS TOWARDS THE ROADMAP'S GOAL WILL BE MEASURED THROUGH THE FOLLOWING:

- A cross-cutting indicator: The amount of US dollars (USD) per sector that is specifically designated for GBV prevention and response
- IR and Sub-IR indicators that will measure contributions towards addressing GBV prevention, mitigation, and response in South Sudan

MONTHS 1-24

- Collaborate with OAA to integrate GBV prevention and response into all new solicitations
- Integrate GBV into the New Mission Strategy, PADs/Projects, budgets, and activity designs
- USAID continues to work with IPs to implement programmatic recommendations in GBV Roadmap

OCT – DEC 2021

- Include GBV in quarterly IP reporting and hold quarterly GBV meeting with all IPs (for learning, reflection and adaptation)
- In the Fall Portfolio Review, measure progress against key indicators related to GBV programming and budgeting and discuss next steps to improve their implementation (using findings from the 2-Year GBV Stocktaking Assessment)

JULY – SEPT 2021

- Include GBV in quarterly IP reporting and hold quarterly GBV meeting with all IPs (for learning, reflection and adaptation)
- Carry out a 2-Year GBV Stocktaking Assessment, including the documentation of lessons learned, to be used for the purposes of informing existing or developing new projects or activities

APRIL – JUNE 2021

- Include GBV in quarterly IP reporting and hold quarterly GBV meeting with all IPs (for learning, reflection and adaptation)
- In the Spring Portfolio Review, measure progress against key indicators related to GBV programming and budgeting and discuss next steps to improve their implementation

JAN – MARCH 2021

- Include GBV in quarterly IP reporting and hold quarterly GBV meeting with all IPs (for learning, reflection and adaptation)

OCT – DEC 2020

- Include GBV in quarterly IP reporting and hold quarterly GBV meeting with all IPs (for learning, reflection and adaptation)
- In the Fall Portfolio Review, measure progress against key indicators related to GBV programming and budgeting and discuss next steps to improve their implementation

Build USAID
& IP Capacity

JULY – SEPT 2020

- Include GBV in quarterly IP reporting and hold quarterly GBV meeting with all IPs (for learning, reflection and adaptation)

APRIL – JUNE 2020

- With a gender/GBV expert, review and validate roadmap sector-level recommendations and plan for integrating into activities, including:
 - Review and validate proposed sector IR and sub-IRs
 - Use resources (including websites provided for best practices & evidence-based programs)
 - Identify experts to support program adaptation and integration
- Adjust existing or develop new IP activity SOW and budgets to implement recommendations
- Include GBV in quarterly IP reporting and hold quarterly GBV meeting with all IPs (for learning, reflection and adaptation)
- In the Spring Portfolio Review, measure progress against key indicators related to GBV programming and budgeting and discuss next steps to improve their implementation

DEC 2019 – MARCH 2020

- In the Fall Portfolio Review, measure progress against key indicators related to GBV programming and budgeting and discuss next steps to improve their implementation
- Review of current projects/activities that are already under implementation to measure the level of current GBV integration and use it as entry point into implementing the GBV roadmap
- Integrate GBV Roadmap into the USAID/South Sudan Operational Framework and PADs and budget
- Select key indicators to measure progress toward achieving progress along GBV Roadmap
- With a gender/GBV expert, plan/begin USAID staff and IP reflective training and capacity building, including an initial workshop and follow-on sessions throughout the year
